# REGION 4

## OFFICE OF EMERGENCY MANAGEMENT AND SCHOOL SAFETY

## Building Safer Schools Together

- School Safety and Security Recognition (SSSR) Program
- Active Shooter Preparedness (ASP) Certification Program
- School Health Services

7145 W. Tidwell Road • Houston, TX 77092  
[esc4.net](http://esc4.net)

## OUR VISION

To be the trusted partner of choice for learning communities seeking innovative emergency management and school safety solutions

## OUR MISSION

To provide realistic, reliable, and relevant emergency and crisis management resources and services to Region 4 partners

## SCHOOL SAFETY AND SECURITY RECOGNITION (SSSR) PROGRAM

- Ensures compliance with current Texas statutory requirements as outlined in Texas Senate Bill 11 (SB11).
- Executive Briefing, Audit Observations, and Guidance for Action
- School Board Presentation, and Executive Summary Briefing
- District support services including customized safety training, tabletop exercise, and school health support.
- Four-year phased contract to support budgeting, with annual board recognition

*"Region 4's training improved [our] staff's confidence to ensure a secure environment."*

—Dr. Anthony Pineda, Cleveland ISD

## ACTIVE SHOOTER PREPAREDNESS (ASP) CERTIFICATION PROGRAM

- Certification program addressing 21 operational standards
- Partnered with Sam Houston State C.A.R.E.S. (joint certificate + course credit)
- Crisis Response Leadership Training (CRLT) 3D simulations for realistic tabletops
- Hands-on training that includes Active Shooter Tabletop, Reunification or Full-Scale Exercise
- Annual board recognition

Receive a discount when these services are bundled with the School Safety and Security Recognition (SSSR) program.

*"Practical, hands-on, and confidence-building—a game-changer for our district."*

—Cynthia Benitez, Channelview ISD

## HEALTH SERVICES PROFESSIONAL DEVELOPMENT

We can come to your district to provide the following trainings.

- School Health Plan
- American Heart Association CPR/AED Certification
- Fentanyl Awareness and Emergency Management
- Unlicensed Diabetes Care Assistant training
- Health Office Unlicensed Assistive Personnel Orientation
- Health Office Unlicensed Assistive Personnel Medication Administration
- School Nurse Professional Development Sessions
- Complex Medical Skills Refresher
- Pediatric Emergency Assessment and Stabilization (for licensed nurses)
- New School Nurse Orientation and Mentorship (8 months)
- Handling Medical Emergencies Programs for Transportation and Campus Staff
