The screenshot shows the Region 4 website homepage. At the top left is the logo for Region 4, which consists of four interlocking red circles followed by the text "region 4™". To the right of the logo is a navigation menu with links for "Alternative Certification", "Contact Us", "Professional Development", "Site Map", and "TCPN". Further right is a search box with the text "Search" and a "GO" button. Below the navigation menu is a blue horizontal bar with white text for "HOME", "ABOUT US", "EMPLOYMENT", "PROFESSIONAL DEVELOPMENT", "SERVICES", "PRODUCTS", and "QUICKLINKS". A red arrow points from a red-bordered box containing the text "Click on Professional Development" to the "PROFESSIONAL DEVELOPMENT" link in the blue bar. Below the navigation bar is a large banner image showing three children (two girls and one boy) looking at a tablet. Below the image is a red banner with the text "Revolutionizing education to inspire and advance future generations®". Below the banner are three main content boxes. The first box on the left is titled "In4mation" and says "Click Here for Education News and Events". Below it is a section for "UPCOMING CONFERENCES" featuring the "K-12 Technology Applications Conference" on October 24, 2013, with a "Register Now!" link. The middle box is titled "Need Bilingual or Spanish-Speaking Teachers?" and includes a "View Candidates Online" link and a video profile availability notice. It also features the Region 4 logo and the "region 4 GLOBAL Education Solutions" logo. The right box is titled "2013 Region 4 catalog now available!" and describes it as "Digital and interactive." with a "Click here to view a copy of the catalog." link. At the bottom of the page is a footer with contact information: "7145 West Tidwell Road | Houston, TX 77092-2096 | 713.462.7708" and "McKinney Conference Center: 7200 Northwest 100 Drive | Houston, TX 77092".
