

Child  
Nutrition

Region 4 Child Nutrition Service will be offering both face-to-face and virtual training and office hours to assist you with the transition from TXUNPS to TANS.

Training sessions scheduled from April through June will focus exclusively on the application process. Claims and Compliance training will be offered at a later date.

Office Hours are available for you to come and go as needed for additional support. No registration is required for office hours.

**Please have your laptop available during office hours.**
