School Health On-Demand Library!

Explore the New On-Demand Safety Training Library!

Learn practical, life-saving skills on your own schedule with our latest collection of virtual safety courses. Build confidence as you discover how to respond to fentanyl exposure, perform CPR and use an AED, stop severe bleeding, and assist someone who is choking.

AHA: Heartsaver Adult and Child CPR/AED Course

Stop the Bleed Course

Fentanyl Awareness and Emergency Preparedness

The Anti-Choking Device and H.B. 549

Unlicensed Diabetes Care Assistant training is now available on-demand too!

This training is required in Texas (2-3 per campus is best practice), but this course allows staff to complete the training in a convenient manner at a time that fits their schedule!

Friendly reminder: All of these courses can be brought to your district in person on a professional development day of your choosing, minimizing disruption to the instructional day!
