

escDevelopWorks™ Participant: Create Account and Sign In

This guide explains how to sign in, including options for new and existing users. Follow it to verify your email and set up or link your escWorks® account so you can access personalized features.

1

Navigate to the escDevelopWorks™ Participant Site and click on **User Profile** icon to sign in to the new platform.

PLEASE NOTE: If you already have an existing escWorks account, use "Create New Account" button to sign in. Use your current escWorks email address and create a new password.

2

If you have already signed in to the new platform escDevelopWorks™, enter the email address and password. Then click **Sign In**.

If you already have an escWorks® account, click **Create New Account** to verify your existing account and access your information, including past certificates. As part of the verification process, you will be required to create a new 14-character password for security purposes.

If you do not have an existing account, click **Create New Account** and complete the required registration information.

The image shows a login and registration form for escDevelopWorks™. It features two input fields for 'Email Address' and 'Password', both with placeholder text 'Enter your email' and 'Enter your password' respectively. Below the password field is a link 'Forgot your password?'. A prominent teal button labeled 'Sign In' with a right arrow icon is positioned below the password field. Below this, separated by a horizontal line and the word 'or', is a button labeled 'Create New Account' with a person icon. Another horizontal line and the word 'or' precede a button labeled 'Employee Login' with a document icon. At the bottom, a small line of text states: 'By signing in, you agree to our Terms of Service and Privacy Policy'.

3

After the account is created, the page will refresh to the home page.

The screenshot shows a web form titled "Create Your Account" with the subtitle "Join Region 4 for professional development". The form is centered on a light gray background. The "First Name" label and its corresponding input field are circled in orange. Below the first name field are fields for "Last Name", "Email Address", "Password", and "Confirm Password". Each field has a placeholder text: "Enter your first name", "Enter your last name", "Enter your email", "Create a password", and "Confirm your password". The password fields include an eye icon for toggling visibility. Below the password fields is a light blue box containing "Password Requirements:" and a bulleted list: "14-128 characters long", "Uppercase and lowercase letters", "At least one number", and "At least one special character". At the bottom of the form are two checkboxes: "I agree to the Terms of Service" and "I agree to the Privacy Policy", both with links. A teal "Create Account" button with a user icon is at the very bottom.
